- Application of Terms.** These terms apply to all Equipment hired by the Hirer from the Owner. If the Special Terms are inconsistent with these Terms, the Special Terms prevail to the extent of any inconsistency.
- Hire.** The Hirer hires the Equipment from the Owner for the Hire Period for the Price.
- Ordering and Acceptance.** The Hirer may offer to hire the Equipment by delivering an Order to the Owner. The Owner accepts the Order when it communicates acceptance to the Hirer.
- Price.** The Price is for the hiring of the Equipment for the Hire Period. It does not include delivery, preparation of the Site, freight, installation, dismantling, packing or pick up, unless as otherwise stated.
- Additional Costs.** The Hirer must pay to the Owner in addition to the Price, all costs incurred by the Owner (including labour costs):

- Copyright.** The Hirer acknowledges that copyright in all designs, drawings, proposals and other material produced by the Owner or any of its consultants in connection with this Contract remains the property of the Owner (or its consultants as the case may be). The Hirer must not infringe copyright in respect of that material.

The Owner reserves the right to refuse payment by credit card, including: where the Price exceeds \$5,000; where the Hirer proposes to use Diners Club or American Express; or where payment is not made at the times and in the amounts required by these Terms. Should the owner accept payment by credit card under any of these circumstances then a credit card fee equal to 2.5% of the total payment will be charged. Our preferred methods of payment are Electronic Funds Transfer or Direct Debit.
- Interest on Unpaid Amounts.** The Hirer must pay interest to the Owner at the rate of 1% per month on any amount which is overdue, from the date it became due until the date it is paid.
- Cancellation and Early Return.** If the Hirer cancels the Order after it has been accepted or fails to take delivery of the Equipment the Hirer must pay the Price to the Owner as liquidated damages.

The Hirer is not entitled to any refund of the Price if it returns the Equipment before the Hire Period Ends.
- Instructions from Hirer.** The Hirer must provide the Owner with clear delivery, installation and pick up instructions at least 7 days prior to commencement of the Hire Period. These instructions must include the date, time, place and name of the Hirer's representative who will receive and return the Equipment.

- Owner Receiving Hirer's Goods.** If when the Equipment is returned or collected the Owner receives goods owned by the Hirer, the Owner may dispose of those goods without liability to the Hirer unless the Hirer claims them within 14 days after they came into the Owner's possession. Whether or not the Hirer claims them, the Owner may return the goods to the Hirer at the Hirer's cost.
- No Warranty.** The Owner gives no warranty that the Equipment is fit for the purpose required by the Hirer. The Hirer must satisfy itself as to this.
- Substitution of Equipment.** The Owner may substitute the Equipment with equipment of a similar type without liability to the Hirer.

The Hirer must also compensate the Owner for any other loss or expense it incurs as a result of such events.

The Hirer acknowledges that any Equipment which has been damaged will be kept for one month after it is returned to the Owner, and then will be destroyed.

A statutory declaration signed by the Owner as to the condition of the Equipment and the number of items delivered and/or returned is final, cannot be disputed by the Hirer and is admissible in legal proceedings as conclusive evidence of its contents.
- Bond.** If requested by the Owner the Hirer must pay (in addition to the Price) a bond equivalent to 10% of the Price. The Owner may apply so much of the bond as is necessary to compensate the Owner for any breach by the Hirer of the Contract, or any damage or loss sustained in respect of the Equipment. The balance if any is refundable to the Hirer.
- Insurance.** The Hirer must maintain public liability insurance for \$10 million and property insurance for the full replacement value of the Equipment. For all orders with a total value exceeding \$20,000, the Hirer is required to produce a relevant Certificate of Currency, or have their insurance policy specifically endorsed for the Owner's interests if so requested.
- Indemnity.** The Hirer indemnifies the Owner, its officers, employees and agents against all Claims the Owner incurs as a result of: the Hirer's negligence; the Hirer's breach of the Contract; the Hirer's breach of any warranty contained in these Terms; the Hirer's breach of any law; preparation of the Site for delivery or installation of the Equipment; the Owner's entry upon the Site; the delivery, installation, inspection, use, dismantling and collection of the Equipment; and contact with underground pipes or wires on the Site.
- Owner Not Liable.** The Owner is not liable to the Hirer for, and is released from liability in respect of: failure to have the Equipment ready for collection when the Hire Period commences; failure to deliver the Equipment in accordance with the delivery instructions; loss, damage or injury to any person, property, animal or thing resulting from the delivery, installation, inspection, use, dismantling and collection of the Equipment; the break down or failure of the Equipment; failure to provide equipment of the type and in the quantity specified in the Order; and defects in the installation of the Equipment at the Site.
- Exclusion of Laws.** To the extent permissible by law, all warranties or other rights implied by law in favour of the Hirer are excluded.
- Limitation on Liability.** If the Owner is liable to the Hirer for a breach of this Agreement or any warranty implied by law which has not been lawfully excluded, the Owner's liability is limited to: refunding the Price; repairing the Equipment; replacing the Equipment; supplying the Equipment for hire again; or payment to the Hirer of the cost of having the Equipment supplied for hire again. The Owner may choose which of these options apply. The Owner is not liable to the Hirer for consequential or indirect loss, economic loss, or other expenses. The Hirer must not claim a lien over or retain possession of the Equipment in satisfaction of its claim.
- Termination.** The Owner may terminate the Contract at any time without liability to the Hirer. If the Contract is terminated the Hirer must return the Equipment, or the Owner may at its election collect the Equipment from the Site at the Hirer's cost.
- Amendments.** No amendment to the Contract will be binding on any party unless made in writing properly and duly executed by that party.
- Waiver.** The failure of the Owner to exercise any right arising as a result of a breach by the Hirer of the Contract will not waive that right, nor will any practice developed between the parties waive or lessen the Owner's rights under the Contract.
- Assignment.** The Hirer must not assign the Contract.
- Governing Law.** The Contract will be construed in accordance with the law of Queensland and the parties submit to the non-exclusive jurisdiction of the Queensland Courts in Brisbane City.
- Severance.** If any provision of the Contract is, for any reason, considered or found by a Court of competent jurisdiction or any competent Government authority to be invalid, illegal or unenforceable, that provision is to be severed from the remainder of the provisions of the Contract. The remainder of the provisions of the Contract will remain in full force and effect unless the basic purposes of the Contract are defeated.
- Warranty of Authority.** Any person signing or purporting to sign the Order or another document on behalf of the Hirer warrants that they have the authority of the Hirer to sign, and indemnifies the Owner against all losses incurred if that person does not have such authority.
- Joint and Several Liability.** If the Hirer is more than one person the Hirer is jointly and severally liable under the Contract.
- Privacy Policy.** Moreton Hire collects your personal information to assist us in providing the goods or services you have requested and to improve our products and services. We, Moreton Hire and all related companies anywhere in the world may be in touch to let you know about goods, services or promotions which may be of interest to you. Please let us know if you object to this and if you would prefer not to be contacted with special offers or in relation to our other goods and services.
- Damage Waiver Fee**
  - Upon payment by the Hirer of the Damage Waiver Fee the Hirer is not responsible for the cost of repairs to or the cost of replacement of the Equipment if necessary because of damage to the Equipment sustained during the Hire Period.
  - Clause (a) only applies where that cost is equal to or less than \$50,000. The Hirer remains responsible for those costs to the extent that they exceed \$50,000.
  - If the Hirer:
    - has hired Equipment from the Owner for one event or exhibition;
    - the Equipment has been hired under more than one Contract; and
    - the Hirer has paid the Damage Waiver Fee under more than one of those Contracts, Clause (a) only applies where that cost is equal to or less than \$50,000 in aggregate for those Contracts in respect of which the Damage Waiver Fee has been paid. The Hirer remains responsible for those costs to the extent that they exceed \$50,000 in aggregate for those Contracts.
  - Clause (a) will not continue to operate after the expiration of the Hire Period unless an extension by the Owner is granted in writing and an additional fee is paid.
  - Clause (a) does not limit the Hirer's liability for failure to return the Equipment. The Hirer must return the Equipment, whether or not it is damaged.
  - Clause (a) will not apply to, and the Hirer remains responsible for, loss or damage occurring to the Equipment:
    - because of breach of any statutory laws or regulations in connection with the use of the Equipment by the Hirer;
    - because of misuse, abuse, willful or malicious acts, negligent or reckless use or overloading of the Equipment;
    - because of disregard for instructions given to the Hirer by the Owner in respect of the proper use of the Equipment or in contradiction of the manufacturer's instructions if supplied with the Equipment at the time of hiring;
    - because of the unexplained disappearance of the Equipment;
    - because of theft of the Equipment;
    - while the Equipment is in transit, if being carried by the Hirer or an employee, contractor or agent of the Hirer.
