Applications may be made at any stage during the year, however, applicants who wish to be considered for a scholarship must lodge their application by the closing dates listed on the application form. To allow time for student visa processing, international applicants should ensure that their application is lodged at least two months prior to the date they plan to commence their studies.

Offers

Both minimum academic and English entry requirements must be met in order to gain entry to Bond University's courses. Please ensure that you include certified copies of both academic transcripts and English proficiency tests (either IELTS or TOEFL with TWE) when you submit your application form.

If your academic qualifications do not satisfy the entry requirements for an undergraduate degree, you may be offered a non-degree program. Students who successfully complete a non-degree program may be able to enter the degree program of their choice.

If your English language level is not sufficient for direct entry to a degree program, you may be made an offer of admission conditional upon you meeting our English language requirements prior to beginning your degree. Should you require further studies in English, you can choose to enrol in BUELI's (Bond University English Language Institute) government accredited ELICOS programs.

If you meet the University's entry requirements you will normally receive a formal letter of offer within two weeks of your application arriving in the Office of Recruitment and Admissions. Your letter of offer will include a unique student identification number (SID). Please use this in any subsequent dealings with the University.
